PACKAGING

Gamex printed bag 1 piece	
Sub-Packing	10 packages in a neutral bag
Packing	8 neutral bags per carton (80 packages)
Pallet Eur H.250 cm	80 Cartons

The first viscose microfiber unites the degreasing power of microfiber to the absorbent capacity of viscose.

A revolutionary product that combines the properties of microfiber and viscose to guarantee increased efficiency in the battle against tough grime.

Ideal for use in the kitchen and bathroom; use on tiles, sinks, faucets, glass and mirrors even without detergents. Washes, dries, polishes. Soft and absorbent, will not leave lint or streaks. Non-abrasive, will not scratch.
